Project Title: Coachella Valley Water District Thousand Palms Flood Control project; SCH Number 2016111053

Lead Agency / Project Applicant: Coachella Valley Water District (CVWD)
William Patterson, Environmental Supervisor
(760) 398-2651
75-515 Hovley Lane East
Palm Desert, CA 92211

Project Location: Thousand Palms, Riverside County California

Project Description:
The project includes flood control improvements intended to reduce flooding hazards associated with coalescing alluvial fans in the area between the Indio Hills and Interstate 10. The project consists of four reaches and includes levees and channels. The proposed Project is designed to meet the Federal Emergency Management Agency (FEMA) 0.01 chance, or 100-year, flood event thereby providing flood protection for developed and planned development areas in Thousand Palms and the vicinity.

This Notice of Determination (NOD) is to advise that the Coachella Valley Water District's Board of Directors approved the above-described project on December 13, 2022, and has made the following determinations:

1. The Project will have a significant effect on the environment.

2. An Environmental Impact Report was prepared and certified for this Project pursuant to the provisions of California Environmental Quality Act (CEQA) and reflects the independent judgement of the Lead Agency.

3. Mitigation measures were made a condition of approval of the Project.

4. A Mitigation Monitoring and Reporting Program was adopted as part of the Project.

5. A Statement of Overriding Considerations was adopted as part of the Project.

6. Findings of Fact were made pursuant to the provisions of CEQA for the Project.

This is to certify that the Final PEIR and documents which comprise CVWD's record of proceedings for the Project, are available to the general public during normal business hours at CVWD's Steve Robbins Administration Building, located at: 75-515 Hovley Lane East, in Palm Desert, CA 92211.
