Project Description (Proposed actions, location, and/or consequences).

The San Luis Obispo County Flood Control and Water Conservation District (Zone 3) is proposing to restate and amend its existing water supply contracts to allow the Contractors to store their unused annual water entitlement in Lopez Reservoir for future use. The purpose of the proposed changes is to provide the District and Contractors greater flexibility to manage the water supply and improve water supply resiliency for the region.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Early Consultation to get input from agencies and stakeholders on potentially significant issues/effects and mitigation measures.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None to date.

Provide a list of the responsible or trustee agencies for the project.
