SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108.

State Clearinghouse Number: 1999062020.

Project Title: Central 1A Shared Baseline Road Project #01 (Infrastructure Segment G) (Streambed Alteration Agreement No. 1600-2018-0096-R2).

Project Location (include county): The project is located at Curry Creek, in the County of Placer, State of California; Section 1 and 6, Township 10N, Range 5E and 6E, U.S. Geological Survey (USGS) map Roseville; Section 36, Township 11N, Range 6E, U.S. Geological Survey (USGS) map Pleasant Grove; Assessor's Parcel Number [APN]: 017-150-ROW-000, 023-200-005-000, 023-221-058-000, and 023-221-046-000.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2018-0096-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Placer Vineyards Central Group, LLC (Permittee) as represented by Rick Langdon.

The project is limited to the installation of a water line to be installed to the south of the existing Baseline Road within the 14.77-acre project boundary of Segment G as depicted in Exhibit A. The water line will consist of a 24-inch ductile iron pipe, which will "T" into the existing 16-inch transmission main at Walerga/Fiddymont Road. To install the water line, an open trench will be dug (both in the upland areas and through aquatic features where the line is proposed to be installed), the water line will be placed, and the dirt excavated to dig the open trench will be used to backfill the trench and bury the water line. The project is a component of the PVSP, a 5,230-acre specific plan project, which includes on- and offsite infrastructure elements.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
