SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108.

State Clearinghouse Number: 1999062020

Project Title: Segment Q Phase 1.2 (Streambed Alteration Agreement No. 1600-2019-0207-R2)

Project Location (include county): The project is located on unnamed tributaries to Steelhead Creek, in the County of Placer, State of California; within Sections 4, 8, and 9 of Township 10N, Range 5E of the U.S. Geological Survey (USGS) 'Rio Linda' 7.5-minute topographic quadrangle, California; approximately centered on Latitude 38.741730°N, Longitude -121.443279°W.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0207-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Lennar Winncrest, LLC (Permittee) as represented by Larry Gualco.

The Segment Q Phase 1.2 Project is a component of the Placer Vineyards Specific Plan (PVSP), a 5,230-acre specific plan project, which includes onsite and offsite infrastructure elements. The 139.66-acre (139.21 acres + 0.45 acre of overlapping permit area) Segment Q Phase 1.2 Project includes both development and infrastructure components. The activities authorized by this Agreement for the Segment Q Phase 1.2 Project include the following: mass grading to create housing pads and road ways for structures, roads, and utilities to be constructed in the development area, the installation of a storm water drainage system, and construction of three water quality basins. Approximately 133 acres will be mass graded to create housing pads for structures, roads, a storm water drainage system, and utilities (water and sewer) to be constructed in the development area. Three water quality basins will be constructed in the open space portions of the Segment Q Phase 1.2 Project area.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
