Project Location – City: Mammoth Lakes

Project Location – County: Mono

Project Description: The Yotelpad project proposal is for a new mixed-use condominium-hotel project with a density of 198 bedrooms within 177 units located in the North Village Specific Plan area. The project encompasses three parcels (6040, 6042, and 6060 Minaret Road) in the NVSP with a combined size of 2.6 acres and is located at the northeast corner of Main Street and Minaret Road. The proposed project consists of a five-story main building with 156 units (studio and 1-br units), 21 three-story townhome units (2-br units), 4,100 sq. ft. of restaurant space, and associated owner/guest related amenities such as a fitness center, pool and hot tub, game room, and lounge areas. A minimum of 187 understructure parking spaces and nine exterior oversize vehicle parking spaces are required. Access to the site will be provided from Minaret Road via a single driveway at the northwest corner of the site and the project will be 100% valet parked. The project will encourage pedestrian access by providing a new sidewalk along Minaret Road along the western property boundary, as well as a paved walkway connecting the sidewalk to the project site. The proposed project is consistent with all applicable development standards of the North Village Specific Plan and no amendments to the Specific Plan were requested.

This is to advise that the Town of Mammoth Lakes Planning and Economic Development Commission has approved the
