Project Title: NWP Pipeline Project FEIR Addendum #4

Project Applicant: San Luis Obispo County Flood Control and Water Conservation District

Project Location (include county): Unincorporated San Luis Obispo County

Project Description:

The San Luis Obispo County Flood Control and Water Conservation District proposes to repair the existing Nacimiento Water Pipeline at the North Salinas Crossing, located between Monterey Road and River Road north of Paso Robles. The repair will involve installing a liner in the existing pipeline that was directionally drilled under the Salinas River. This is addendum #4 to the Nacimiento Water Pipeline Final EIR.

This is to advise that the San Luis Obispo County Board of Supervisors has approved the above (Lead Agency or Responsible Agency)

described project on 4-21-2020 and has made the following determinations regarding the above (date) described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: County of San Luis Obispo Department of Public Works at contact information above.
