Project Title: Smoke Management Program for the Great Basin Unified Air Pollution Control District

Project Applicant: N/A

Project Location (include county): Alpine, Mono and Inyo Counties

Project Description:

The Great Basin Unified Air Pollution Control District (District) Addendum to the Negative Declaration for the District's Smoke Management Program addresses amendments made to the District Smoke Management Program and District Rule 411- Wildland Vegetation Management Burning. The Smoke Management Program and associated Negative Declaration were adopted and certified in 2001 to minimize adverse air quality impacts related to smoke from prescribed burning as required by Title 17 of the California Code of Regulations. The revisions do not cause new significant impacts or result in a substantial increase in the severity of any previously identified impacts not identified in the previously certified Negative Declaration.

This is to advise that the Great Basin Unified Air Pollution Control District has approved the above
(Lead Agency or Responsible Agency)

described project on March 5, 2020 and has made the following determinations regarding the above
(date)
described project.

1. An Addendum to the 2001 Negative Declaration was prepared by the Great Basin Unified Air Pollution Control District pursuant to the provisions of CEQA.
2. The Addendum concluded that the modifications to the project will not have a significant effect on the environment.
3. Mitigation measures were not made a condition of the approval of the project. No changes are required as a result of the modifications.
4. No mitigation reporting or monitoring plan were adopted for this project. No changes are required as a result of the modifications.
5. A statement of Overriding Considerations was not adopted for this project. No changes are required as a result of the modifications.
6. No new CEQA Findings were adopted for the modifications to the project.

This is to certify that the Addendum, 2001 Negative Declaration, and record of project approval for the Smoke Management Program is available to the General Public at:
157 Short Street, Bishop CA 93514
