Project Title: Sites Reservoir Project

Project Applicant: Sites Project Authority

Project Location (include county): Colusa, Glenn, Tehama, and Yolo counties

Project Description:

Sites Reservoir Project (Project) consists of the construction and operation of a new offstream surface water reservoir and associated facilities, roads, bridge and three new recreation areas. The Project would use existing infrastructure to divert flow from the Sacramento River convey the water to a new offstream reservoir west of the community of Maxwell, California. New and existing facilities would move water into and out of the reservoir, with ultimate release back to the Sacramento River system.

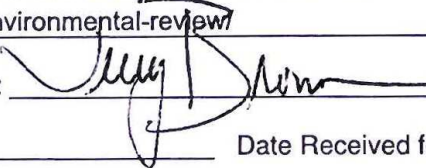

This is to advise that the Sites Project Authority has approved the above
