NOTICE OF DETERMINATION
(Public Resources Code section 21108)

File Ref: W27188
 SCH#: 2002122048
 Item: 14

Title: HAMILTON CITY FLOOD DAMAGE AND ECOSYSTEM RESTORATION PROJECT

Proponent: Reclamation District 2140

Location: Sacramento River near Hamilton City, Glenn County.

Description: The principle features of the recommended plan are (1) construction of 6.8 miles of setback levee to provide a more reliable form of flood protection to the community and agricultural areas, (2) degradation of the existing "J" levee to allow for reconnection of the river to the flood plain, and (3) restoration of about 1,500 acres of native habitat between the new setback levee and the Sacramento River. Reclamation District 2140, as a responsible agency, prepared an Addendum to the Environmental Impact Statement/Report to evaluate the changed conditions of the project. The State Lands Commission action is an approval of a 25-year General Lease – Public Agency Use through February 27, 2045.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above described project on February 28, 2020 and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) An Addendum to an Environmental Impact Report (EIR) was prepared and certified pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, Reclamation Board (now Central Valley Flood Protection Board), certified the Environmental Impact Statement/Report (EIS/R) and approved the project on July 16, 2004. Reclamation District 2140, as a responsible agency, prepared an Addendum and approved the project on June 20, 2019. The California State Lands Commission has considered the EIS/R and the Addendum for this project. The EIS/R, Addendum, and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
