## STATE CLEARINGHOUSE

# CEQA Filing Fee No Effect Determination

**Applicant Name and Address:**

City of Los Angeles Harbor Department  
425 S. Palos Verdes Street  
San Pedro, CA 90731

**CEQA Lead Agency:** City of Los Angeles Harbor Department

**Project Title:** Berths 97-109 (China Shipping) Container Terminal Project

**CEQA Document Type:** Environmental Impact Report

**State Clearinghouse Number/local agency ID number:** SCH No. 2003061153

**Project Location:** The project is located at Berths 99-109 in the Port of Los Angeles (see Figure 2-1 in Draft SEIR), is generally bounded on the north by the Yang Ming container terminal; on the east by the West Basin, Main Channel, and Pier A; on the south by the World Cruise Center and State Route 47; and on the west by Pacific Avenue, Front Street, and the community of San Pedro in the city and county of Los Angeles, California.

**Brief Project Description:** The project does not include any construction or development. Environmental impacts of the construction and operation of the China Shipping Container Terminal at Berths 97-109 were previously assessed in a 2008 EIS/EIR that was certified by the Los Angeles Board of Harbor Commissioners on December 18, 2008. This Draft SEIR evaluates the continued operation of the terminal under new and/or modified mitigation measures, along with an incrementally higher cargo throughput level compared to that assumed in the 2008 EIS/EIR. The analysis contained in the Draft SEIR examines modifying 10 mitigation measures and one lease measure to determine whether potentially new significant environmental impacts or substantially more severe impacts would occur in the areas of Air Quality, Greenhouse Gases, and Ground Transportation.

**Determination:** Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish & G. Code, § 711.4, subd. (c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at the time of filing the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (i.e., State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing the NOD, the appropriate CEQA filing fee will be due and payable.
