Project Title: Elkhorn Natomas Neighborhood Electric Distribution Project

Project Applicant: Sacramento Municipal Utility District

Project Location (include county): On property located north of I-5 and west of HW-99 in Sacramento, CA

Project Description:
SMUD is proposing to design, construct and operate of four independent neighborhood electric distribution substations and associated 69,000-kilovolt subtransmission lines. The proposed alignment, while generally similar, results in altered alignments for the subtransmission line in some areas. The proposed alternate route of the 69kV alignment would be located within the previously evaluated project area boundaries identified for the 2004 EIR, Greenbriar Development Project EIR, and the Metro Air Park EIS. The modified alignment would generally traverse in a southward direction towards SR 99, west along I-5, and northwest towards Power Line Road.

This is to advise that the Sacramento Municipal Utility District has approved the above ([] Lead Agency or [] Responsible Agency)

described project on May 6, 2019 and has made the following determinations regarding the above (date) described project.

- 1. The project [] will [] will not have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [] were [] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [] was [] was not adopted for this project.
5. A statement of Overriding Considerations [] was [] was not adopted for this project.
6. Findings [] were [] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
SMUD, 6201 S Street, MS B203, Sacramento, CA 95817-1899
