SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2008041123

Project Title: Pepperdine University Debris Basin Relocation
(Lake or Streambed Alteration Agreement No. 1600-2015-0236-R5)

Project Location (include county): The project is located at the downstream end of Marie Canyon Creek, on the Pepperdine University Campus adjacent to Huntsinger Circle, Malibu, 90263, in the County of Los Angeles, State of California; and can be located using the following information: 34.046279°, Longitude -118.710917°; Assessor's Parcel Number 4457004051 and 4457004053.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed an amendment to Lake and Streambed Alteration Agreement number 1600-2015-0236-R5, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Pepperdine University. The project is limited to the replacement of an existing debris basin with a new debris basin approximately 400 feet upstream using 16,000 cubic yards of material from within the project site. Upon completion of the new debris basin, the existing debris basin will be removed and replaced with fill to raise the grade up to 55 feet above it's current level. This will serve as a pad for construction of an expanded recreational area with a turf field, restroom, paved access road, and drainage system.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on / / and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
