Project Description: (please use a separate page if necessary)

The City of Los Angeles Bureau of Engineering is preparing a draft supplemental EIR. The project will include remediation, pedestrian pathways, interpretive signs, flexible event spaces, landscaping and parking. The project will also include soil remediation to accommodate the proposed uses. A parking area will be provided for the project on the existing lot located south of the property. Access will be provided via driveway connections along the southern access point of the Taylor Yard property.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
