

## TABLE OF CONTENTS

### ***Volume II: Technical Appendices***

2-A	Roadway Crossings, Modifications, and Closures
2-B	Railroad Crossings
2-C	Operations and Service Plan Summary
2-D	Applicable Design Standards
2-E	Project Impact Avoidance and Minimization Features Analysis
2-F	PG&E Network Upgrades
2-G	Summary of Requirements for Operations and Maintenance Facilities
2-H	Emergency and Safety Plans
2-I	Alternatives Considered During Alternatives Screening Process
2-J	Regional and Local Plans and Policies
2-K	Policy Consistency Analyses
2-L	Constructability Assessment Report – Record PEPD <ul style="list-style-type: none"> <li>• Appendix A: Monterey Highway Viaduct, Typical Section Installation – Full Span Precast</li> <li>• Appendix B: Monterey Highway Viaduct, Balanced Cantilever Installation</li> <li>• Appendix C: Monterey Highway Viaduct, Precast Box Girder Yard Dimensions</li> <li>• Appendix D: San Jose Station Approach Constructability Analysis</li> <li>• Appendix E: Potential Contract Packages and Schedule</li> <li>• Appendix F: Potential Construction Sequence at I-280</li> <li>• Appendix G: Potential Construction Sequence at Monterey Highway</li> <li>• Appendix H: Track Shift Works</li> </ul>
2-M	Gilroy LMF Option Consideration and Elimination
3.1-A	Parcels within the HSR Project Footprint
3.2-A	Transportation Data on Roadways, Freeways, and Intersections
3.2-B	Vehicle Miles Traveled Forecasting
3.2-C	Traffic Mitigation Measure Screening
3.3-A	Air Quality and Greenhouse Gases Technical Report <ul style="list-style-type: none"> <li>• Appendix A: CalEEMod Outputs for Station and Maintenance Facility Operation, MOWF Calculations, East Gilroy Transit Calculations</li> <li>• Appendix B: CALINE4 Outputs for CO Hot-Spot Analysis</li> <li>• Appendix C: Construction Emission and Cumulative HRA Assumptions</li> </ul>

- Appendix D: Ballast Hauling Memorandum
- Appendix E: Localized Impacts from Construction
- Appendix F: Potential Impact from Induced Winds
- Appendix G: Council on Environmental Quality Provisions Covering Incomplete or Unavailable Information

3.3-B Draft Federal General Conformity Determination

3.3-C Changes to Project Benefits Based on 2018 Business Plan

3.4-A Noise and Vibration Technical Report

- Appendix A: Measurement Site Photographs
- Appendix B: Noise Measurement Data
- Appendix C: Vibration Propagation Measurement Data

3.4-B Noise and Vibration Mitigation Guidelines

3.4-C Noise Impact Locations

3.5-A Preconstruction Electromagnetic Measurement Survey along the San Jose to Merced Project Section

3.6-A Public Utilities and Energy Facilities

3.6-B Existing Plus Project Conditions Energy Analysis

3.6-C Water Use Assessment

3.6-D Energy Analysis Memorandum

3.7-A Special-Status Species Subject to Project Impacts

3.7-B Scientific Nomenclature

3.7-C HSR Guideway Enclosure for the Grasslands Ecological Area

3.7-D Supplemental Species Habitat Model Descriptions

3.7-E Supplemental Noise Analysis on Terrestrial Wildlife Species

3.7-F Supplemental Artificial Light Analysis on Terrestrial Wildlife Species

3.8-A Waterbodies Crossed by the Project Alternatives

3.8-B Summary of Hydraulic Modeling for Existing and Proposed Conditions

3.8-C Basin Plan Water Quality Impact Assessment

3.11-A Safety and Security Data

3.11-B Airport Obstructions

3.12-A Relocation Assistance Documents

3.13-A General Plan Land Use Maps—San Jose to Central Valley Wye Project Extent RSA

3.14-A Parcels Containing Important Farmland in the San Jose to Central Valley Wye Project Resource Study Area

- 3.14-B Results and Findings of Land Evaluation and Site Assessment Pursuant to the Farmland Preservation Policy Act
  - Attachment 1: Natural Resources Conservation Service Land Evaluation Explanations and Calculations for Santa Clara County
  - Attachment 2: Natural Resources Conservation Service Land Evaluation Explanations and Calculations for San Benito County
  - Attachment 3: Natural Resources Conservation Service Land Evaluation Explanations and Calculations for Merced County
- 3.14-C Remnant Parcel Analysis
- 3.14-D Induced Wind Impacts: Effects on Pollination; Blossoms and Dust
- 3.14-E Williamson Act Compliance Data
- 3.17-A Correspondence
- 3.17-B Cultural Resources-San Jose to Merced Project Section Tribal Outreach and Consultation Efforts 2009-2021
- 3.17-C Archaeological and Built Resources
- 3.17-D Programmatic Agreement among the FRA, the ACHP, the SHPO, and the Authority regarding Compliance with Section 106 of the NHPA, as It Pertains to the California High-Speed Rail Project
- 3.18-A RIMS II Modeling Details
  - Attachment 1: RIMS II Modeling Details
- 3.19-A Cumulative Nontransportation Plans and Projects Lists
- 3.19-B Cumulative Transportation Projects List
- 4-A Concurrence Letter
- 5-A Environmental Justice Outreach Plan
- 5-B Environmental Justice Engagement Summary Report
  - Attachment A: Environmental Justice Outreach Plan
  - Attachment B: List of Outreach Meetings Held for the Project
  - Attachment C: Biannual Environmental Justice Outreach Reports
  - Attachment D: Environmental Justice Outreach, September 2021
- 5-C Environmental Justice Development of Community Improvements
  - Attachment A: Profiles of Potential Community Improvements
- 5-D Preferred Alternative, Maps of Disproportionately High and Adverse Effects Before Consideration of Community Improvements
- 6-A San Jose to Merced Project Section: PEPD Record Set Capital Cost Estimate Report
- 6-B High-Speed Rail Operating and Maintenance Cost for Use in EIR/EIS Project-Level Analysis

9-A Public and Agency Meeting List
