The City has performed environmental review on this project. Environmental review examines the nature and extent of any adverse effects on the environment that could occur if a project is approved and implemented. Based on the review, the City has prepared a draft Addendum for this project. The proposed project is eligible for an addendum pursuant to CEQA Guidelines §15164, which states that, “A lead agency or responsible agency shall prepare an addendum to a previously certified EIR if some changes or additions are necessary but none of the conditions

described in CEQA Guidelines §15162 calling for preparation of a subsequent EIR have occurred.” An Addendum is a statement by the City that the project would not result in any new impacts that have not been previously disclosed; nor would it result in a substantial increase in the magnitude of any significant environmental impacts previously identified in the previously certified EIRs.

This is to advise that the City of San José City Council approved the above-described project on **May 12, 2020** and the made the following determinations regarding such project:

1. An Initial Study/Addendum was prepared and completed for this project pursuant to and in compliance with the provisions of CEQA.
2. The City Council has independently reviewed and analyzed the Initial Study/Addendum and other information in the record and has considered the information contained therein, prior to acting upon or approving the Project.
3. City Council has adopted the San José/Santa Clara Water Pollution Control Plan Master Plan Final Environmental Impact Report (PMP FEIR) and Addenda thereto, all in accordance with CEQA, as amended, and adopting a revised Mitigation Monitoring and Reporting Program (MMRP).
4. The Initial Study/Addendum represents the independent judgment and analysis of the City of San Jose, as lead agency for the Project.
5. This project will not have a significant impact on the environment.
6. Mitigation measures were made a condition of approval of the project.
7. Findings were made and adopted for this project pursuant to the provisions of CEQA.

The Initial Study/Addendum, Mitigation Monitoring and Reporting Program (MMRP), and the record of project approval may be examined at the City of San José, Department of Planning, Building and Code Enforcement, 200 East Santa Clara Street, 3rd Floor Tower, San José CA 95113-1905. This notice is in compliance with Section 21108 and 21152 of the Public Resources Code.
