**SUBJECT: Filing of Notice of Determination in compliance with
Section 21108 or 21152 of the Public Resources Code.**

State Clearinghouse Number (if submitted to State Clearinghouse): 2012111011
Project Title: County of Orange County-Wide Long-Term Routine Maintenance Program RGP 100
Project Applicant: County of Orange, Department of Public Works
Project Location (include county): Orange County
Project Description: Routine maintenance activities for 3602 designated flood control facilities located within the Permittees right-of-way. Activities include: channel and basin/dam maintenance (i.e., cleaning, silt removal, slope maintenance/repair); landscape maintenance; vegetation control/removal; insect/rodent control; rip-rap installation and repair; structural inspection/cleaning; removal/replacement of concrete lining; and the repair and backfill of washouts. Bridge maintenance activities include: maintenance of stream bed, bank, and channel in the immediate vicinity of the bridge; repair of concrete bridge elements within the channel (spalled and cracked wingwalls, abutments, piers, girders and underside of deck); and cleaning and painting of steel bridge members. The discharge of fill is limited to no more than needed to restore the facilities to their maintenance baseline condition. Maintenance baseline is a description of the physical characteristics (e.g. depth, width, length, location, configuration, or design flood capacity, etc.) of a flood control project within which maintenance activities are normally performed.

This is to advise that the **State Water Resources Control Board (Responsible Agency)** has approved the above described project on [Date] and has made the following determinations regarding the above described project:

1. The project [will will not] have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: 300 N. Flower Street, Santa Ana, CA 92703
