Re: Extension of Public Review Period

To Whom It May Concern,

The California Department of Fish and Wildlife (CDFW) submitted the following documents to you: Notice of Completion, Draft Environmental Impact Report and Draft Land Management Plan for the Carrizo Plains Ecological Reserve on March 22, 2019 to initiate the 60 day Public Review period.

I was just informed by the regional staff, that there has been significant interest from the public to have this review period extended an additional 45 days.

Please extend the public review period on these for another 45 days, beginning on May 22, 2019 and concluding on July 5, 2019.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Daydre Roser
