Project Descri	ription (Proposed actions, location, and/or consequences).	
in which chan project alterna	al Recirculated DEIR for the CEDHSP. The Second Partial nges are being made to: reflect changes in traffic analysis of atives in response to public comments encouraging the apositive former Executive Golf Course.	due to changes in CEQA, and add two additional
	roject's significant or potentially significant effects and brief or avoid that effect.	ly describe any proposed mitigation measures that
	ficant impacts and no new mitigation measures from the pr	rior CEQA compliance documentation.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
-Vehicle miles travelled as opposed to Level of Service to analyze transportation impactsPublic comments on the Draft EIR included requests for alternatives that examined other uses for the former Executive Golf Course parcel. In response to these comments, two alternatives that include alternative land uses have been analyzed.
Provide a list of the responsible or trustee agencies for the project.
El Dorado Irrigation District, El Dorado Hills CSD, Regional Water Quality Control Board, State Water Resources Control Board, California Department of Fish and Wildlife, U.S. Army Corps of Engineers, U.S. Fish and Wildlife Service
