

The San Francisquito Joint Powers Authority published a draft environmental impact report (Draft EIR) for the San Francisquito Creek Flood Protection, Ecosystem Restoration, and Recreation Project Upstream of Highway 101 (SCH # 2013062019) on April 22, 2019. Your agency received a copy of this document through the State Clearinghouse. ICF, the consulting firm, prepared the Draft EIR on behalf of the San Francisquito Joint Power Authority. ICF has inadvertently included confidential information on the location of an archaeological site in the Draft EIR that must be removed. To correct this error, we are asking that your agency remove the confidential information and replace with the page attached to this letter, and to destroy the page with confidential information.

Please remove and replace the following page:

- Appendix C, Figure 1, Page 6

If you have any questions, please contact Len Materman, Executive Director, or Kevin Murray, Project Manager, at (650) 324-1972.

Thank you for your assistance in this matter.
