PROJECT TITLE: U.S. Highway 101 Pedestrian Undercrossing

STATE CLEARINGHOUSE NUMBER: 2013082074

LEAD AGENCY: City of Redwood City
CONTACT: Joel Evora; (650) 780-7328
RESPONSIBLE AGENCY: California Department of Fish and Wildlife (CDFW)
CONTACT: Randi Adair, Sr. Env. Scientist Supervisor, (707) 576-2786

PROJECT DESCRIPTION / LOCATION: The project is limited to the activities associated with construction of a joint-use path dedicated to bicycles and pedestrians under the US 101 freeway bridge next to Redwood Creek to connect the Bayfront and Downtown areas of the City of Redwood City. Project activities include constructing a 14-foot wide path with a battered tieback retaining wall with lighting, installing a creek-side retaining wall, installing a drainage system to capture and detain rain water as needed prior to out-falling into the creek, installing landscape retaining walls on both entrances to the path under US 101 and constructing a scenic overlook on the west side of Convention Way looking toward Redwood Creek. The project is covered under the Lake and Streambed Alteration Agreement Number 1600-2013-0366-R3 CDFW executed pursuant to Section 1602 Fish and Game Code on October 21, 2016.

This is to advise that the CDFW as a Responsible Agency amended the Agreement on December 2, 2019 and has made the following determinations regarding the above described project pursuant to section 15096 (i).

1. The project *will not* have a significant effect on the environment.
2. CDFW considered the Negative Declaration as previously prepared for this project by the Lead Agency.

This is to certify that a copy of the Mitigated Negative Declaration prepared for this project is available to the general public and may be reviewed at: 1017 Middlefield Road, Redwood City, CA 94063. Please contact the lead agency person specified above.
