Project Title: Mount Sutro Trail Improvements

Project Location: University of California, San Francisco; Parnassus Heights campus site

County: San Francisco

Project Description: The proposed Mount Sutro Trail Improvements project, also known as the Sunset Trail Phase 1, would re-establish the Mount Sutro pedestrian trail located adjacent to the Dolby building at the Parnassus Heights campus. The re-established trail would lead from the parking lot in Koret Way via stairways and trail-on-grade and connect to Medical Center Way. The existing pedestrian pathway, motorcycle stalls and handicap parking would be reconfigured at the entrance of the new trail. During construction, temporary pedestrian routes would be located along the Clinical Sciences building and provide safe passage to pedestrians and vehicular traffic.
