RE: Citywide Cat Program – Draft Environmental
Impact Report (DEIR)
SCH # 2013101008
GTS # 07-LA-2017-02800

Dear Dr. Jan Green Rebstock:

Thank you for including the California Department of Transportation (Caltrans) in the environmental review process for the above referenced DEIR. The proposed project would involve creating a citywide cat program that focuses on public education and policy implementation in the City of LA. The City of Los Angeles is the Lead Agency under the California Environmental Quality Act (CEQA).

From reviewing the DEIR, Caltrans does not expect project approval to result in a direct adverse impact to the existing State transportation facilities.

If you have any questions about these comments, please contact Emily Gibson, the project coordinator, at Emily.Gibson@dot.ca.gov, and refer to GTS # 07-LA-2017-02800.

Sincerely,
