ATTENTION COUNTY CLERK: PLEASE DO NOT REMOVE BEFORE Monday, November 9, 2020

TO: County Clerk-Recorder County of Stanislaus 1021 I Street Modesto, CA 95354 FROM: City of Modesto Community & Economic Development Dept. Planning Division P.O. Box 642 Modesto, CA 95353

SUBJECT: Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code

- Project Title: City of Modesto General Plan Amendment 2040; TPM-15-001: Calla-Monterosso 2900 Scenic Bend Tentative Parcel Map
- State Clearinghouse Number: SCH No. 2014042081
- <u>Contact Person</u>: Katharine Martin, Senior Planner
- Applicants: Patricia Calla & Dennis Monterosso, 2900 Scenic Bend, Modesto CA 95355 209-504-5157
- Owner: Patricia Calla & Dennis Monterosso, 2900 Scenic Bend, Modesto CA 95355
- Project Location: 2900 Scenic Bend, Modesto CA 95355 (APN 067-034-010)
- <u>Project Description</u>: Division of a one-acre parcel within the Low Density Residential (R-1) Zone into two parcels: Parcel 1 of 20,956 square feet and a Remainder Parcel of 23,079 square feet. Both parcels would have no street frontage, with access via an existing 10-ft wide private easement to Scenic Bend, and therefore required an exception to the City of Modesto's Zoning Ordinance regarding the requirement of street frontage for residential lots.

This is to advise that the City of Modesto, the lead agency, has approved the above-described project on October 5, 2020 and has made the following determinations, pursuant to Section 21157.1 of the CEQA Guidelines:

The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following findings have been found to be true:

- 1. An Initial Study was prepared by the City of Modesto that analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report.
- The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code, that was not identified in the Master EIR.
- 3. No new or additional mitigation measures or alternatives are required.

- 4. The subsequent project is within the scope of the project covered by the Master EIR.
- 5. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.
- 6. No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified, and no new information, which was not known and could not have been known at the time that the Master EIR was certified as complete, has become available.

The Initial Study, Environmental Assessment No. EA/C&ED 2020-14, on file at the City of Modesto, Community and Economic Development Department, provides substantial evidence to support findings 1 thru 6, noted above.

This is to certify that the Master EIR is available to the general public at:

City of Modesto, Community & Economic Development Department, Planning Division, 1010 Tenth Street, Modesto, CA 95354
