SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108

State Clearinghouse Number: 2014072008

Project Title: Red Bluff Riverfront Park Boat Ramp – Phase 2 (California Endangered Species Act Incidental Take Permit No. 2081-2019-058-01 (ITP))

Project Location (include county): The Project is located on the Sacramento River within the Riverfront Park in the City of Red Bluff, Tehama County. The Project is located within Section 20, Township 27 north, Range 3 west of the Red Bluff East United States Geological Survey 7.5-minute quadrangle at approximate 40.17358° N latitude, and - 122.228127° W longitude.

Project Description: This proposed Project involves the construction of a two-lane boat ramp designed for motorized boats on the edge of the Sacramento River. The purpose of the Project is to provide permanent boating access to the Sacramento River, separate from an existing boat ramp that will remain in place for canoes, kayaks, and other non-motorized recreational watercraft. The new boat ramp will be a two-lane "V"-groove reinforced concrete ramp approximately 112.5 feet long with a 14 percent slope, and two 15-foot wide lanes with an 8-foot wide boarding float with solar lighting and/or a walkway to accommodate vessel boarding. The Project also involves the construction of an access road, maneuver area, ADA parking slab, ADA walkways, and rock slope protection.

The Project will result in impacts and permanent removal of 0.66 acres of Sacramento River Winter-Run Chinook Salmon (*Oncorhynchus tshawytscha*), and Central Valley Spring-Run Chinook Salmon (*Oncorhynchus tshawytscha*) habitat. The project is expected to result in incidental take of Sacramento River Winter-Run Chinook Salmon and Central Valley Spring-Run Chinook Salmon, which are designated as endangered and threatened species, respectively, under the California Endangered Species Act. The ITP referenced above as issued by CDFW authorizes incidental take of species listed under California Endangered Species Act that may occur as a result of Project implementation.

This is to advise that CDFW, acting as [the lead agency / a responsible agency] approved the above-described Project on 5/1/2020 and made the following determinations regarding the above described Project:

1. The Project [will / will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency).
2. [An environmental impact report / A negative declaration] was prepared by the lead agency for the original Project.
3. Additional mitigation measures [were / were not] made a condition of CDFW's approval of the Project.
4. A mitigation reporting or monitoring plan [was / was not] adopted by CDFW for this Project.
5. A Statement of Overriding Considerations [was / was not] adopted by CDFW for this Project.
6. Findings [were / were not] made by CDFW pursuant to Public Resources Code § 21081(a). CDFW did, however, adopt findings to document its compliance with CEQA.
7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
 - Payment is submitted with this notice.
 - A copy of a receipt showing prior payment was submitted to CDFW.

Notice of Determination

Responsible Agency statement: The Negative Declaration prepared by the lead agency for the Project is available to the general public at the office location listed above for the lead agency. CDFW's administrative record of proceedings related to the incidental take permit is available to the public for review at CDFW's regional office.
