Project Title: Butte Slough Outfall Gates Rehabilitation Project Addendum

Project Applicant: Department of Water Resources, Division of Flood Management, Flood Maintenance

Project Location (include county): Sutter, Colusa

Project Description:

In 2018, the DWR Division of Flood Management reexamined the Butte Slough Outfall Gates Rehabilitation Project and determined, in coordination with the National Marine Fisheries Service and the California Department of Fish and Wildlife, that the approved project design and operation would need modifications to replace the flap gates with slide gates that can be operated to remain open depending on water elevations to minimize future fish stranding in the pipes.

This is to advise that the Department of Water Resources has approved the above (Lead Agency or Responsible Agency)

described project on November 7, 2019 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Joint Operations Center, 3310 El Camino Avenue, Suite 140, Sacramento, CA 95821
