SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2014101044

Project Title: Santa Anita Stormwater Flood Management and Seismic Strengthening Project

Project Location (include county): The project is located at Santa Anita Canyon Wash at the Santa Anita Dam and Reservoir, in the county of Los Angeles; and can be located using the following: Latitude 34.184064, Longitude -118.019255; Assessor's Parcel Number 8689-008-304.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed an amendment Lake and Streambed Alteration Agreement number 1600-2015-0155-R5, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Los Angeles County Public Works. The project consists of the following tasks: 1) modify existing spillways; 2) construct a new pedestrian bridge and upgrade the existing hoist system; 3) modify existing inlet/outlet works; 4) repair the existing shotcrete on the downstream canyon walls and toe of the dam; 5) improvements to the ancillary facilities of the dam; and 6) replace existing potable water system. The spillway modification will include nighttime hours, over a 10-night period, from February 2020 to May 2020. Nighttime work will only be conducted in areas designated specifically in the amendment executed.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on 2/14/2020 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
