Project Title: Environmental Permitting for Operation and Maintenance EIR Addendum Remnant Flood Protection

Project Applicant: Department of Water Resources, Division of Flood Management, Flood Maintenance Office

Project Location (include county): Sacramento, Yolo, Solano, Tehama, Butte, Glenn, Colusa, Yuba, Sutter, Lake

Project Description:

This addendum adds remnant flood protection facilities removal activity the Environmental Permitting for Operations and Maintenance EIR. DWR has identified the need to remove and/or modify remnant flood protection facilities (i.e., abandoned levees or portions thereof, training levees) to ensure the proper flood protection system function. As a result of these minor additions to the types of maintenance activities to be conducted, DWR has prepared this addendum to the certified EIR.

This is to advise that the Department of Water Resources has approved the above (X) Lead Agency or () Responsible Agency

described project on 9/20/19 and has made the following determinations regarding the above described project.

- 1. The project [] will [X] will not have a significant effect on the environment.
