Notice of Determination

Project Title: East Borrow Canal Fish Rescue Project (California Endangered Species Act Management Permit No. 2081(a)-2022-019-02 (Permit)) Project Location (include county): The Project is located within the East Borrow Canal (EBC) of the Sutter Bypass beginning downstream of the Department of Water Resources (DWR) Sutter Bypass Pumping Plant 2 and continuing to Willow Slough Weir in the County of Sutter, State of California: from Latitude 39°1'24.63"N and Longitude 121°43'37.07"W to Latitude 38°54'54.10"N and Longitude 121°43'37'28.95"W. Project Description: This proposed Project involves fish rescue activities consisting of aquatic vegetation removal from the EBC to clear a migration pathway and improve water quality for migrating adult spring-run Chinook salmon. The project is expected to result in take of spring-run Chinook salmon (<i>Oncorhynchus sthawytscha</i>), which are designated as a threatened species under the California Endangered Species Act. The Permit referenced above as issued by CDFW authorizes take of species listed under CESA that may occur as a result of the fish rescue. This is to advise that CDFW, acting as a responsible agency executed the above-described Permit on the date signed below and made the following determinations regarding the above-described Project: 1. The project [will will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency). 2. [An environmental impact report / A mitigated negative declaration) was prepared by the lead agency for the original project. 3. Additional mitigation measures [were / were not] made a condition of CDFW's approval of the project. 4. A mitigation reporting or monitoring plan [was / was not] adopted by CDFW for this project. 5. A Statement of Overriding Considerations [was / was not] adopted by CDFW for this project. 6. Findings were made by CDFW pursuant to Public Resources Code § 21081(a). 7. Compliance with the en	To:	From:

The project is expected to result in take of spring-run Chinook salmon (<i>Oncorhynchus stshawytscha</i>), which are designated as a threatened species under the California Endangered Species Act. The Permit referenced above as issued by CDFW authorizes take of species listed under CESA that may occur as a result of the fish rescue. This is to advise that CDFW, acting as a responsible agency executed the above-described Permit on the date signed below and made the following determinations regarding the above-described project: 1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency). 2. [An environmental impact report / A mitigated negative declaration] was prepared by the lead agency for the original project. 3. Additional mitigation measures [were / were not] made a condition of CDFW's approval of the project. 4. A mitigation reporting or monitoring plan [was / was not] adopted by CDFW for this project. 5. A Statement of Overriding Considerations [was / was not] adopted by CDFW for this project. 6. Findings were made by CDFW pursuant to Public Resources Code § 21081(a). 7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one): Payment is submitted with this notice.	Permit No. 2081(a)-2022-019-02 (Permit))	allionila Endangered Species Activianagement
and continuing to Willow Slough Weir in the County of Sutter, State of California; from Latitude 39°1'24.63"N and Longitude 121°37'37.07"W to Latitude 38°54'54.10"N and Longitude 121°37'28.95"W. Project Description: This proposed Project involves fish rescue activities consisting of aquatic vegetation removal from the EBC to clear a migration pathway and improve water quality for migrating adult spring-run Chinook salmon. The project is expected to result in take of spring-run Chinook salmon (<i>Oncorhynchus tshawytscha</i>), which are designated as a threatened species under the California Endangered Species Act.
