SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2015102005

Project Title: Ryan Water Diversion Project, 1 Encroachment (LSAA 1600-2019-0569-R1)

Project Location (include county): The project to be completed is located within the South Fork Eel River watershed, approximately 5.8 miles SW of the town of Miranda, County of Humboldt, State of California. The project is located in Section 29, T03S, R03E, Humboldt Base and Meridian; in the Miranda U.S. Geological Survey 7.5-minute quadrangle; Assessor's Parcel Number 212-015-020; latitude 40.16.77N and longitude -123.8735 W at the point of diversion (POD).

Project Description: The project is limited to one encroachment. One encroachment is for water diversion from Tostin Creek. Water is diverted for domestic use only. Work for the water diversion will include use and maintenance of the water diversion infrastructure. 4 rain catchment ponds labeled (A, B, C, & D) that are included only as described features within this Agreement. The ponds are described as rainwater catchment. All ponds A, B, C, and D are lined with black plastic have approximately a 3:1 sloped bank, with outlets that require additional rocking and addition of escapement ramps for wildlife. No notification is required to conduct this work since these descriptive features are not subject to 1600 code. These rain catchment ponds are geographically located on the top of a ridge and are hydrologically disconnected from all streams.

No other projects that may be subject to FGC section 1602 were disclosed.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
