SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108

State Clearinghouse Number: 2016051039

Project Title: State Route 210 Mixed Flow Lane Addition Project (California Endangered Species Act Incidental Take Permit No. 2081-2017-062-06 (ITP))

Project Location (include county): The project is located along an 8.2-mile stretch of State Route 210, between post mile marker R25.0 and R33.2, within the cities of Highland, San Bernardino, and Redlands, and a portion of unincorporated San Bernardino County, State of California.

Project Description: This proposed project involves the widening of the existing segment of State Route 210 from Sterling Avenue to San Bernardino Avenue (6.1 miles between PM R26.3 and R32.4) from four mixed flow lanes (two lanes in each direction) to six mixed flow lanes (three lanes in each direction) with the addition of one mixed flow lane in each direction within the median.

The Project will result in impacts to 8.21 acres of Santa Ana River woollystar (*Eriastrum densifolium* ssp. *sanctorum*), slender-horned spineflower (*Dodecahema leptoceras*), and San Bernardino kangaroo rat (*Dipodomys merriami parvus*) habitat including temporary impacts to 7.46 acres and permanent removal of 0.75 acres. The project is expected to result in incidental take of Santa Ana River woolly star and slender-horned spineflower, which are designated as endangered species, as well as, San Bernardino kangaroo rat which is a candidate, under the California Endangered Species Act. The ITP referenced above as issued by CDFW authorizes incidental take of species listed under CESA that may occur as a result of Project implementation.

This is to advise that CDFW, acting as the lead agency / a responsible agency] approved the above-described project on 3/12/2020 and made the following determinations regarding the above described project:

1. The project will / will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency).
 2. An environmental impact report / A negative declaration] was prepared by the lead agency for the original project.
 3. Additional mitigation measures were / were not] made a condition of CDFW's approval of the project.
 4. A mitigation reporting or monitoring plan was / was not] adopted by CDFW for this project.
 5. A Statement of Overriding Considerations was / was not] adopted by CDFW for this project.
 6. Findings were / were not] made by CDFW pursuant to Public Resources Code § 21081(a). CDFW did, however, adopt findings to document its compliance with CEQA.
 7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
 - Payment is submitted with this notice.
 - A copy of a receipt showing prior payment was submitted to CDFW.
- Responsible Agency statement: The Negative Declaration prepared by the lead agency for the Project is available to the general public at the office location listed above for the lead agency. CDFW's administrative record of proceedings related to the incidental take permit is available to the public for review at CDFW's regional office.
