Project Title: Franklin Boulevard Bridge Replacement at Lost Slough (Streambed Alteration Agreement No. 1600-2017-0003-R2).

Project Location (include county): The project is located on Lost Slough, in the County of Sacramento, State of California; Latitude 38° 16' 52.13" N, Longitude 121° 26' 23.81" W; Township 5N, Range 5E, Section 16, of the Bruceville U.S. Geological Survey Quadrangle.

Project Description: The California Department of Fish and Wildlife (CDFW) has amended Lake and Streambed Alteration Agreement number 1600-2017-0003-R2, pursuant to Section 1602 of the Fish and Game Code to the project Permittee, Sacramento County.

The project is limited to the replacement of the bridge at Franklin Boulevard over Lost Slough. The replacement bridge structure type is a precast bridge with a vertical alignment slightly above the existing bridge. The proposed replacement bridge will include two 12-foot traffic lanes with adjacent 6-foot paved shoulders on both sides (total width of 39-feet). The total length of the project is expected to be approximately 2,900 feet, including the 520-foot long replacement bridge and roadwork (divided almost evenly between the north and south ends of the bridge) beyond the bridge abutments. These amendments revise the project description to include directional drilling that Permittee requested in their Notification and extend the Project Term to accommodate a delayed schedule.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on 03/12/2020 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
