**Project Title:** Collecting Canals: Dean Culvert Replacements (Streambed Alteration Agreement No. 1600-2019-0282-R2)

**Project Location (include county):** This project consists of seven locations within the Dean Cattle Farm Property in Sutter County, California.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0282-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Department of Water Resources, as represented by Mitra Emami.

The Collecting Canals: Deal Culvert Replacements Project consists of five culvert replacements and two culvert installations. The five culvert replacements will consist of removing the existing plastic or corrugated metal culverts and replacing them with 5 feet wide by 3 feet tall precast concrete box culverts. The two culvert installations will consist of installing 5 feet wide by 3 feet tall box precast concrete box culverts. After completion of the culvert replacements and installations, any temporary fill and construction debris will be removed, and disturbed areas will be planted.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):
