SUBJECT: Paseo Del Mar Permanent Restoration Project (Project) Final Environmental Impact Report (FEIR) and Consideration of Project Approval by the City of Los Angeles (City)

The City has prepared the FEIR for the proposed Project, which includes comments received on the *Draft Environmental Impact Report* (DEIR) during the public review period from April 6, 2017 to June 5, 2017. Specifically, Chapter 3 *Response to Comments* of the FEIR includes all comments received via mail and email, as well as oral comments received at the DEIR public meeting held on May 3, 2017, along with the City's responses to these comments. Please refer to the Table of Contents in the FEIR for the organization of the responses to comments.

The *Project FEIR* and *Mitigation Monitoring and Reporting Plan* as well as all applicable Appendices and related documents for the proposed Project can be downloaded from the Department of Public Works Bureau of Engineering's (BOE) website: <https://eng.lacity.org/paseo-del-mar-permanent-restoration-project-e1907791>.

A copy of the complete report is also available for review:

- By appointment, at BOE at 1149 S. Broadway, Suite 600, Los Angeles, CA 90015. Please contact Jacquelyn Salazar at [jacquelyn.salazar@lacity.org](mailto:jacquelyn.salazar@lacity.org) or (213) 485-5730 to make an appointment.

Certification of the FEIR and approval of the proposed Project requires review from the City's Board of Public Works and action by City Council. The Board of Public Works recommendation for approval and City Council consideration of certification of the FEIR will be held at future meetings that have yet not been scheduled.

The official schedule and meeting agendas for the Board of Public Works and City Council and applicable Council Committees are available at the respective City websites:
