**Promenade 2035 Draft Supplemental Environmental Impact Report (EIR Case No. ENV-2016-3909-EIR) – Request to Extend Comment Period**

Dear Councilmember Blumenfield:

I have received your request to extend the comment period for the Promenade 2035 Draft Supplemental Environmental Impact Report (DSEIR) for an additional 45 days. I have carefully considered your request and understand your concerns.

On April 26, 2018, our Department released the DSEIR for the Promenade 2035 Project with a 47-day comment period ending at 4:00 p.m. on June 11, 2018. We are receptive to your concerns regarding sufficient time for the public to review this extensive document. Therefore, the comment period will be extended an additional 45 days until **4:00 p.m. on Thursday, July 26, 2018**, for a total comment period of 92 days.

Please consider that it is the City's responsibility to process land use entitlements in a timely and orderly manner consistent with public interest. As such, the granting of the extension will delay the release of the Final SEIR and thus, the processing of the requested entitlements.

Sincerely,

VINCENT P. BERTONI, AICP  
Director of City Planning

LISA M. WEBBER, AICP  
Deputy Director
