Project Title: Soda Springs Road Over South Yuba River Bridge Replacement Project

Project Applicant: Nevada County Public Works Department

Project Location (include county): Latitude: 36°19'17.2" N and Longitude: 121°22'43.5" W (Nevada County)

Project Description:

The Project includes clearing, grubbing, and installing a temporary stream diversion system and temporary road. The diversion pipes will pass through the fill and allow the stream to flow through the project area. Additional construction includes demolishing and removing the existing bridge structure, constructing a new bridge superstructure, roadway improvements, and placing rock slope protection within the channel. The final stage of construction involves removing the temporary diversion system and temporary road, and restoring the channel to pre-construction conditions.
