PUBLIC NOTICE:

2018 Campus Master Plan

at the California State University, Dominguez Hills

Announcement of Extended Public Review Period

Draft Environmental Impact Report

On February 11, 2019, the Board of Trustees of the California State University provided public notice of availability of a **Draft Environmental Report (DEIR)** for the proposed **California State University, Dominguez Hills (CSUDH) 2018 Campus Master Plan** (proposed project). The public review period commenced on February 11, 2019 and was scheduled to conclude on March 29, 2019. Due to an unanticipated formatting error in DEIR Appendix F.1 (Transportation Impact Study), which was corrected as of February 26, 2019, the public review period has been extended and now ends on **April 15, 2019**.

WHAT IS BEING PLANNED?

The project is the adoption and implementation of the proposed project, which provides a framework for development of the University's physical campus and its facilities to accommodate campus enrollment growth from its current enrollment of approximately 11,000 full-time-equivalent students (FTES) to 20,000 FTES over a planning horizon extending to 2035. In conjunction with the proposed project, CSUDH also has prepared its Guidelines for the 2018 Campus Master Plan (Guidelines) to support and advance the University's vision of developing a vital campus that supports the facilities, buildings, improvements, and services needed for a top-performing model urban university to serve up to 20,000 full-time students.

The proposed project entails the development of new and expanded facilities in three areas of the 344-acre campus: (i) the Core Campus; (ii) the University Village; and (iii) a 3,000-seat expansion of the StubHub Center.

WHAT IS AVAILABLE?

The **Draft Environmental Impact Report** and the related technical studies are available for public review from February 11, 2019 to April 15, 2019. Maps and other information are also available. There are also copies of the documents available at at CSUDH (1000 E. Victoria Street, Carson, CA 90747) at its Leo F. Cain Library and in the Facilities Planning, Design and Construction Office, at the Carson Public Library (151 E Carson St, Carson, CA 90745), and at the Dr. Martin Luther King, Jr. Public Library (17906 S Avalon Blvd, Carson, CA 90746).
