

## NOTICE OF PREPARATION OF A DRAFT EIR AND NOTICE OF SCOPING MEETING

**Lead Agency:** City of Glendale, Planning Division  
633 East Broadway, Room 103  
Glendale, California 91206-4386

**Contact:** Erik Krause, Deputy Director of Community Development

**Project Title:** Biogas Renewable Generation Project EIR

**Project Location:** The Project site is located completely within the boundaries of the existing Scholl Canyon Landfill, in Los Angeles County, at 3001 Scholl Canyon Road, Glendale, California, 91206

**Project Description:** The City of Glendale, as Lead Agency (per CEQA Guidelines Section 15052), has requested that an Environmental Impact Report (per CEQA Guidelines Section 15161) be prepared for the City of Glendale Biogas Renewable Generation Project (Project). The Project includes construction and operation of an approximately 12-megawatt (MW) power generation facility that would utilize landfill gas as fuel to generate renewable energy.

The City of Glendale will conduct two public scoping meetings; both to be held on **Thursday, April 4, 2019, at 2:00 PM and at 6:00 PM**; to solicit input and comments from public agencies and the general public on the scope of the EIR being prepared for the Biogas Renewable Generation Project. These meetings will be held in the **Glendale Police Department Community Room at 131 N. Isabel Street in Glendale, CA.**

The meetings will include presentation of a Project overview followed by an opportunity for the public to submit oral and/or written comments related to the scope of the EIR. The City of Glendale will consider comments received in response to this Notice of Preparation and public scoping meetings in determining the scope and content of the EIR for this Project. Additional information can be found on the City's Project Website located at [glendalebiogasgeneration.com](http://glendalebiogasgeneration.com).

Any information pertinent to the potential environmental effects of this project should be directed to the Planning Division in order to be included in the Draft EIR. Written comments on the NOP and on the contents of the forthcoming EIR should be addressed to: Biogas Renewable Generation Project EIR, 633 E. Broadway, Room 103, Glendale, CA 91206; or e-mailed: [ekrause@glendaleca.gov](mailto:ekrause@glendaleca.gov). If submitting comments as an organization, please also provide contact information for an individual. Due to the time limits mandated by State law, your response must be sent at the earliest possible date but **not later than 30 days** after publication of this notice.
