COMMENTS:

Please see the attached replacement for Appendix A and E to the Draft EIR for the EHNCP Project distributed by the City on April 29, 2019.

This replacement for Appendix A includes the 2019 Notice of Preparation, comments received by the City in response to the 2019 NOP, and the comments received by the City in response to the NOP distributed by the City in 2017 for the North Eastern Sphere Annexation Specific Plan previously proposed for this same area.

This replacement for Appendix A includes the comments received by the City in response to the 2019 NOP, which were omitted in error. These NOP comments were received and reviewed by the City and have been taken into account with the regard to the information and analysis in Chapter 4, Environmental Impact Analysis, of the EHNCP Draft EIR.

The replacement for Appendix E now includes the Tribal Consultation Letters, which were omitted in error, to supplement the previously included Cultural Resources Report. These Tribal Consultation Letters were addressed in Chapter 4, Environmental Impact Analysis, of the EHNCP Draft EIR.
