SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2017092026

Project Title: Lawson Trail Crossings (Lake or Streambed Alteration Agreement No. 1600-2019-0023-R3)

Project Location: The project is located within Hood Mountain Regional park, on North Pythian Road, Santa Rosa, on the North Fork of Hood Creek, in the County of Sonoma, State of California.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0023-R3, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Sonoma County Regional Parks.

The project is limited to the construction of four armored crossings, each approximately 6-foot wide and 18-foot long, and a pre-fabricated 30-foot long and approximately 8-foot wide single-span bridge. Abutments are each 1.5-foot wide by 8-foot long and will be located above the top of bank. The total area of riparian disturbance from the bridge abutments and wet crossings is approximately 688 square feet, which will be compensated for with onsite restoration and riparian plantings of 798 square feet. The bridge will be located on the North Fork of Hood Creek, and the crossing on unnamed tributaries, all as part of construction of the new Lawson Trail.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on May 20, 2019 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
