State Clearinghouse Number (if submitted to State Clearinghouse): 2017112007
Project Title: Petitions for Change Related to Fern Creek Water Right Permits and Licenses
Project Applicant: June Lake Public Utility District
Project Location (include county): June Lake, Mono County

Project Description:

Under the proposed project, JLPUD seeks to reduce the required bypass flows in its Fern Creek water right permits and licenses from the current level of 200 gallons per min to 25 gpm. With the adoption of mitigation, however, the bypass flow would be set at 50 GPM. The proposed project would not involve any construction.

This is to advise that the June Lake Public Utility District has approved the above (Lead Agency or Responsible Agency)

described project on November 2, 2017 and has made the following determinations regarding the above described project (date)

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
