Project Title

Etiwanda Avenue/Country Village Road Truck Restriction Ordinance

Purpose of the Notice of Availability

Notice is hereby given by the City of Jurupa Valley Development Services Department/Public Works and Engineering, as the lead agency pursuant to the California Environmental Quality Act (CEQA), that the above-named Draft Environmental Impact Report (EIR) is available for public review and comment. The EIR is available online for viewing at <http://www.jurupavalley.org> and printed copies are available for review at:

- Jurupa Valley City Hall
8930 Limonite Avenue
Jurupa Valley, CA 92509-5183
- Glen Avon Library
9244 Galena Street
Jurupa Valley, CA 92509
- Louis Rubidoux Library
5840 Mission Blvd.
Jurupa Valley, CA 92509

Project Location

The proposed project would restrict trucks over 16,000 lbs. on an approximately 0.6-mile segment of Etiwanda Avenue and an approximately one-mile segment of Country Village Road. Specifically, the proposed project involves the following roadway segments within the City of Jurupa Valley:

- Etiwanda Avenue between SR-60 and Hopkins Street.
- Country Village Road between SR-60 and Philadelphia Avenue.

Project Description

The proposed project for this Draft EIR is the consideration of the adoption of a City ordinance restricting medium-heavy- and heavy-heavy-duty trucks with a gross vehicle weight rating over 16,000 lbs. from accessing Etiwanda Avenue between SR-60 and Hopkins Street and Country Village Road between SR-60 and Philadelphia Avenue in the City of Jurupa Valley.

Significant Environmental Impacts

Implementation of the truck restriction ordinance would result in significant and unavoidable impacts to a local intersection with grade separation (Milliken Avenue/Mission Boulevard) and also result in significant, unavoidable impacts to the state freeway system.

Draft EIR Review and Comment

A 45-day review and comment period will begin on **April 19, 2019**, and end at 5:00p.m. on **June 3, 2019**. Please submit your response (email preferred) to the Lead Agency contact person identified above. Please provide the name and address for a contact person.

Scheduled Public Hearing

Public hearing(s) regarding the Project and EIR will be held at a future date to be determined. A public notice will be provided at last ten (10) days in advance of any hearing.

Hazardous Waste and Substances Listed Under Government Code Section 65962.5
