State Clearinghouse Number (if submitted to State Clearinghouse): 2018031001
 Project Title: Common Diversion Facility Project
 Project Applicant: Madera County / County Service Area No. 16
 Project Location (include county): San Joaquin River, near Sumner Hill, Madera County

Project Description:
 Replacement of two separate but adjoining existing water diversion facilities on the San Joaquin River with a single diversion facility. The project will replace existing intake pipes with a single intake pipe fitted with a state-of-the art fish screen, make all necessary appurtenant pipeline connections, replace existing County/CSA-16 pumps, install back-up intertie between existing County/CSA-16 and WWTP, LLC waterlines, and restore a segment of the San Joaquin River shoreline, including fill of an existing man-made cove.

This is to advise that the Madera County Board of Supervisors on behalf of CSA-16 has approved the above
 Lead Agency or Responsible Agency)
 described project on March 5, 2019 and has made the following determinations regarding the above
 (date)
 described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at:
Madera County Planning Department 200 West 4th Street, Suite 3100, Madera, CA 93637

Signature (Public Agency):  Title: Director Governor's Office of Planning & Research
