SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2018051037

Project Title: San Antonio River State Route 101 Bridge Seismic Retrofit Project (Streambed Alteration Agreement No. 1600-2019-0273-R4)

Project Location: The Project will occur within the floodplain of the San Antonio River, but outside the naturally wetted channel, where it flows under State Route 101 near the community of Bradley, Monterey County.

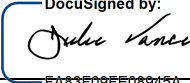

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement number 1600-2019-0273-R4, pursuant to section 1602 of the Fish and Game Code to the Project Applicant, California Department of Transportation.

The Project involves seismic retrofit of both the northbound and southbound bridges. The Project also involves re-armoring to prevent scour of the supporting embankment and western abutments, as well as new buried armoring to prevent scour of the streambed surrounding some of the supporting bentwalls.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described Project on 4/8/2020 and has made the following determinations regarding the Project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The Project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this Project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the Project.
4. A mitigation reporting or monitoring plan was adopted by CDFW for this Project.
5. A statement of overriding considerations was not adopted by CDFW for this Project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the Project is available to the general public at the office location listed above for the Lead Agency.
