STATE CLEARINGHOUSE

To Whom It May Concern:

CALIFORNIA INSTITUTION FOR MEN MENTAL HEALTH CRISIS FACILITY PROJECT FINAL ENVIRONMENTAL IMPACT REPORT

The California Department of Corrections and Rehabilitation (CDCR) has completed the Final Environmental Impact Report (Final EIR) for the proposed California Institution for Men Mental Health Crisis Facility Project (SCH No. 2018072022). The Final EIR consists of a brief overview of the project and California Environmental Quality Act (CEQA) process to date, a list of persons, organizations, and public agencies who commented on the Draft Environmental Impact Report (Draft EIR), all comments received on the Draft EIR, responses to those comments, and corrections/revisions to the text of the Draft EIR. The Final EIR is provided on the enclosed Universal Serial Bus (USB) device.

In accordance with Section 15088(b) of the State CEQA Guidelines, the Final EIR is being made available to all public agencies that submitted comments on the Draft EIR at least ten (10) days prior to certification of the Final EIR. CDCR may consider certification of the Final EIR and approval of the proposed project following the end of that 10-day period, which ends May 6, 2019.

The Final EIR and the Draft EIR are available for viewing or download at the following website: <https://www.cdcr.ca.gov/FPCM/Environmental.html>.

Copies of the Final EIR will also be available for viewing at the CDCR offices located at 9838 Old Placerville Road, Suite B, in Sacramento, CA 95827.

Correspondence should be directed to me either by mail at CDCR's Division of Facility Planning, Construction and Management office located at 9838 Old Placerville Road, Suite B, in Sacramento, CA 95827, or by email at CDCRChinoMHCF@ascentenvironmental.com. I can also be reached by phone at (916) 255-1141 to address any questions or additional information requests.

Sincerely,

A handwritten signature in blue ink that reads "Robert Sleppy".
