SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2018072070

Project Title: San Joaquin Bridge Maintenance SR – 4, Project (Lake or Streambed Alteration Agreement No. 1600-2019-0166-R3)

Project Location: The Project is located on the Old River at the Old River Bridge (Bridge No. 29-0045) along State Route 4 (SR-4) at the boundary of Contra Costa and San Joaquin Counties, in the State of California.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0166-R3, pursuant to section 1602 of the Fish and Game Code to the California Department of Transportation as represented by Jeskrn Pradda. The Project is limited to mechanical and electrical repairs on the Old River Bridge (Bridge No. 29-0045). Mechanical and electrical components of the moveable bridge include the bridge structure, bridge deck, control house, swing span and bridge piers. Replacing electrical components will require in-water work within Old River to replace three (3) submarine electrical cables. The anticipated time to lay submarine cables is two days of in water work. The proposed Project will also require minor roadway work to replace k-rails, installation of a valley gutter for roadside drainage and a retention ditch.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on February 3, 2020 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
