Project Title: Rose Hill Courts Redevelopment Project		
Project Applicant: Housing Authority of the City of Los Angeles (HACLA)		
Specific Project Location – Identify street address and cross street or attach a map showing project site (preferably a USGS 15' or 7 ½' topographical map identified by quadrangle name): 4446 Florizel Street, within the Northeast Community Plan Area, in the El Sereno Community of the City of Los Angeles, bounded by Florizel Street to the north, McKenzie Avenue to the east, Mercury Avenue to the south, and Boundary Avenue to the west		
General Project Location (City and/or County): City of Los Angeles		
Project Description: The existing Rose Hill Courts public housing site is located on 5.24 acres and consists of 14 two-story, wood-frame buildings with townhouse and flat style apartments comprising 100 units and an administration building. The Rose Hill Courts Redevelopment Project ("Project") will demolish the existing 15 structures and construct a total of 185 residential housing units (183 affordable housing units onsite plus two market-rate managers' units). The Project includes 88 one-bedroom units, 59 two-bedroom units, 30 three-bedroom units, and eight four-bedroom units; a 6,366-square-foot Management Office/Community Building; and a "Central park" green space, creating a park-like setting for residents. Accordingly, the Project includes ample open space and recreational amenities to promote continued community outdoor use such as outdoor communal space with shaded seating and grills, children's play areas with tot lots, paved surfaces, and several courtyards. The Project would provide a total of 174 parking spaces onsite, with at-grade and tuck-under parking; upgraded lighting, fencing, signage, and security features; and storm drain and utility improvements. The new sustainably designed buildings would be energy efficient and the landscaping would include water-efficient irrigation.		

On November 26, 2019, the Housing Authority of the City of Los Angeles ("HACLA") Board of Commissioners certified an Environmental Impact Report for the Project; adopted Environmental Findings of Fact under the California Environmental Quality Act, a Statement of Overriding Considerations, and a Mitigation Monitoring and Reporting Program; and approved the Project. The Board of Commissioners also authorized additional predevelopment funding authority of up to \$375,000 under the current Predevelopment Loan Agreement with Related Companies of California, LLC to continue to fund design and engineering expenditures necessary to make Plan check submissions to the City of Los Angeles by December 2019 for Phase I of the Project, and other City Fees necessary for the entitlements. Lastly, the Board approved the Relocation Plan for the Project prepared in accordance with the requirements of the Uniform Relocation and Real Property Acquisition Policies Act of 1970, as Amended and Corresponding Relocation Requirements at 49 CFR Part 24, HUD Handbook 1378, California Government Code section 7260, and Title 25 of the California Code of Regulations.

Then, on January 23, 2020, HACLA authorized the President and CEO to enter into a Disposition and Development Agreement ("DDA"), a long term Ground Lease and Predevelopment Loan documents with Rose Hill Courts Housing Partners Phase I, LP and Rose Hill Courts Housing Partners Phase II, LP for the Project; authorized predevelopment funding for additional design, technical work necessary to finance and develop the Project; and authorized entering into a Consulting Agreement with Related to reimburse up to \$500,000 in master planning and predevelopment services.

Thereafter, on August 27, 2020, HACLA adopted a resolution authorizing the President and CEO to enter into a First Amendment to the DDA for Rose Hill Courts – Phase I to provide up to \$2,850,000 in additional gap funding to Rose Hill Courts I Housing Partners, L.P. or to make a loan to Housing Promise Corporation in connection with the redevelopment of Rose Hill Courts Phase I and to execute any and all documents and agreements related thereto and to undertake various actions in connections therewith. The additional funding addresses the funding shortfall caused by current economic conditions and increased cost estimates.

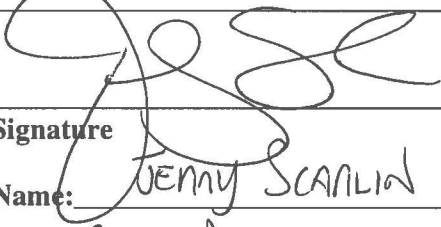

Identify the person or entity undertaking the project, including any private applicant, any other person undertaking an activity that receives financial assistance from the Public Agency as part of the project, and any person receiving a lease, permit, license, certificate, or other entitlement of use from the Public Agency as part of the project.
