State Clearinghouse 1400 Tenth Street Sacramento, California 95814

Re:

Extension of Public Comment Period for Contanda Renewable Diesel Bulk Liquid Terminal Development Project Draft EIR – State Clearinghouse No. 2018102008

To Whom It May Concern:

The Port of Stockton (Port) filed the Notice of Completion for the Contanda Renewable Diesel Bulk Liquid Terminal Development Project Draft Environmental Impact Report (EIR; State Clearinghouse No. 2018102008) on January 14, 2019. The public review period was set to end on February 27, 2019.

Last week, the Port received a request to extend the public review period for the document. With this letter, I am officially notifying the State Clearinghouse of the Port's extension of the public review period for the Draft EIR to March 13, 2019.

If you require additional information, please contact me at <u>jcashman@stocktonport.com</u> or (209) 946-0246.

Sincerely,

Jason Cashman

**Environmental Manager**
