RE: Withdrawal of State Clearinghouse (SCH) No. 2018128323

The State Water Resources Control Board requests withdrawal and cancellation of SCH No. 2018128323. Notice of Exemption (NOE) No. 2018128323, received by the SCH on December 13, 2018, for the City of Fresno (City) Perchloroethylene Groundwater Cleanup Project was filed in error. The City, rather than the State Water Resources Control Board, is the lead agency for the project. The City filed a subsequent NOE for the project on January 18, 2019, and was assigned SCH No. 2019018345.

Please contact me if you have any questions regarding this request.

Sincerely,

Meghan Tosney
Supervising Water Resource Control Engineer
