Project Title: West Jay Street Extension

Project Applicant: Caltrans

Project Location (include county): In Inyo County on U.S. Highway 395 and West Jay St in the City of Bishop

Project Description:

A Caltrans highway encroachment permit will be issued for traffic control, utility relocations and extensions. This permit only applies to work within Caltrans right-of-way. The City of Bishop prepared an Initial Study / Negative Declaration in 2019, for the West Jay Street Extension project. The City also filed an NOD for this project in April of 2019. Caltrans concurs with the CEQA measures and findings, in the above documents, for the State highway right-of-way.

This is to advise that the California Department of Transportation (Caltrans) has approved the above (Lead Agency or Responsible Agency)

described project on 9/30/2019 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
