Project Description (Proposed actions, location, and/or consequences).

The project is an update to the City of Hollister Park Facility Master Plan. The plan includes an inventory of existing facilities, a needs assessment, and recommendations for park improvements, including two new parks and a trail. With the exception of proposed parks at the Leatherback property and Hollister Fire Station No. 2, the Santa Ana Creek extension, the proposed development areas of Vista Park Hill, and additional amenities added to the Water Reclamation Recreational Facility, all the parks in the Master Plan are currently existing or will be developed as part of approved subdivisions.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

All impacts to air quality, biological resources, cultural resources, noise, and transportation would be mitigated to less than significant.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None.

Provide a list of the responsible or trustee agencies for the project.

No responsible agencies. Trustee agency includes CDFW.
